Dear Ms. Gordon,

As the Charlotte International Cabinet ends its status as a 501(c)3, we would like to set-up a fund to provide for the further encouragement of citizen diplomacy and community engagement with Charlotte's Sister Cities and other official city relationships abroad.

The Cabinet will give \$78,286.76 to the City of Charlotte to set up a fund for the administration of the Charlotte International Cabinet Matching Grant program. The fund will be used for grants approved by Cabinet and administrated by the Office of International Relations.

Sincerely,

Larken Egleston
Chairman
